Having trouble getting chords and rhythm together?

Opportunity is a great example of 'swing' rhythm on acoustic guitar. Listen to the recording and try tapping the rhythm; this feel is based on 'triplet-rhythm'. To learn more about this, and about chord changing and strumming techniques, check out **Modern Guitar Chord Styles, Volume 1** - absolutely the best rhythm guitar book money can buy!

Need to change the key? *Opportunity* is in the key of G Major: Capo at II will give you the key of A Major; III for Bb Major; or V for C Major. To learn more about using a capo to change the key of a song see pages 36 - 37 in **MGCS 1**
