29 4 G  D.S.  al coda  Bm  G  Bm  G  Am  C  D 

36 Chorus (as above)  G  D  G  F<sup>I</sup>  C  2 C  G 

## Having trouble getting the chords &amp; rhythm together?

All chords and rhythms used in *Wild Horses* are introduced in **Modern Guitar Chord Styles, Volume I**. This chart is more demanding than the song may seem it should be but its a great example of acoustic chord work. The small numbers above some chords indicate embellishment chords. There isn't enough room on the page to include a chord diagram for every one of these. Modern Guitar Chord Styles has an excellent section dealing with chord embellishments ('sus' chords) - plenty of diagrams and exercises to show you how they work. Check it out!
